Holy Cross Catholic School Update

The 2016-2017 school year is a milestone year for Holy Cross Catholic School. This year we celebrate 30 years with the theme "Every Child is a Masterpiece of God – Celebrating 30 Years of Catholic Education." On August 24th, we will welcome 277 students to our main building, and an additional 80 little "Hornets" will enter the early education center in September.

Holy Cross was honored to receive the 2015 Governor's Achievement Award, recognizing top performing schools in the State of Kansas. As our history shows, we are committed to the personal growth and academic success of each and every student.

More importantly, we are committed to assisting in the production of saints. To accomplish this task, we integrate our Catholic faith into the fabric of their Holy Cross education. Please continue to pray for the success of Holy Cross Catholic School and another 30 years of excellence.

Dear Holy Cross Parishioners,

The 2015/2016 year was challenging financially. On the positive side, increases in our regular giving helped offset a reduction in our plate (loose cash) income experienced during the renovation which enabled us to still achieve 100% of our budgeted Ordinary Collections. Contributions to our school Guardian Angel fund were also very generous and well over budget. This helped provide a Governor's Award winning and Christ centered education to those students who might not otherwise be able to attend.

On the other hand, we were not able to overcome the projected deficit and finished the year with a net operating loss of \$169,234. Unplanned facility repairs such as the replacement of a preschool HVAC roof top unit, major repairs on two other school HVAC units, and the replacement of the 40+ year old rectory HVAC system contributed to the loss (it was hot in June!). Church personnel expenses were well under budget as we continue to consolidate staff and reduce full time employees. In addition we are negotiating several service agreements to help lower expenses. We are also deferring maintenance on the church, including re-caulking and waterproofing the north wall and foundation, until we are in a better financial position.

Looking forward to the 16/17 year, we are projecting a 1% increase to expenses as we continue to scrutinize and reduce costs where possible. We are also projecting a 7% increase to income as we wrap up capital campaign efforts and focus on operations. Stay tuned for more information on our Annual Appeal in the fall.

While it's important to talk about the numbers, they do not capture the full impact of your support. Our school is providing an excellent education. Our religious education and youth programs are laying a firm foundation of faith. Our Bible studies and retreats are a source of spiritual renewal for the adults of the parish. And behind each sacramental statistic there is a person, a family and a community that has experienced the presence of God in their lives. Thank you!

I invite you to become involved in Holy Cross, so that you can experience for yourself the good work being accomplished for Christ's kingdom. I always have an open door and welcome any comments or questions. Holy Cross is your church and your input is valued. Thank you for your generous support.

In Christ,
Fr. Mike Stubbs
