TWENTY-SEVENTH SUNDAY IN ORDINARY TIME

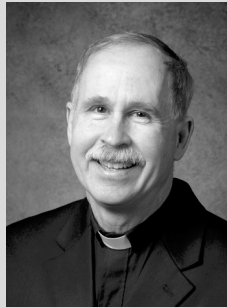

From the beginning of creation,  
God made them male and female.  
For this reason a man shall  
leave his father and mother  
and be joined to his wife, and  
the two shall become one flesh.

MARK 10:6-8

OCTOBER 7, 2018

Dear parishioners,

At the priests' Continuing Education Workshop last week, we learned that when parents take an active role in sharing their faith with their children, by attending Mass with them, by praying with them at home, by discussing their faith with them, 82% of the children will be active in the church when they are adults themselves. On the other hand, when parents do not take an active role in sharing their faith with their children, only 1% of the children will be active in the church when they grow up. These statistics remind us of the important responsibility parents bear for the spiritual life of their children.

*Message from the Principal*

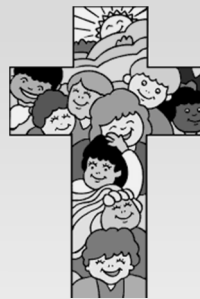

Thanks to Jenn Jones, PTO President, and her helpers in hosting our Annual BEER and BACON event this past weekend. **PTO raised \$2,400.00 for teacher professional development this year.** Holy Cross appreciates all that our parents do for our school.

**4th grade news**

The 4th graders began the year pondering creation and the Creator. They read the creation stories in Genesis and used these to explore text structures, sequence events, and compare and contrast. The BIG IDEA they discovered is that there is **ONE loving God who created ONE human family and we are connected to ALL peoples of the world.** After reading a story titled God's Eyes, the Hornets created images of themselves with mirror eyes that would enable them to see past differences and divisions and find the reflection of God in every person. Reflecting upon their relationship with God and one another led to a study of prayer. They learned to praise, give thanks, love, ask, and express sorrow. As they studied the writing process, they incorporated these into original prayers to be read each morning and afternoon. Reading The Discovery of Mexico, an ancient Aztec myth, helped students develop an appreciation of cultures as they celebrate Hispanic Heritage Month. They learned that the symbol of the eagle found in the center of the flag of Mexico came from this myth. That God is a God of order, pattern, and infinite possibility was a theme discovered in math as students studied the base ten system, place value, and that 10 digits can be arranged in periods to create an infinite list of numbers. Social Studies was spent practicing map and globe skills which will make it easy for the Hornets to put the GPS away and explore Earth the old school way! Students summed up their study of atoms, matter and the scientific method by decorating keys that said: **Creation is a gift and science is the key.** The Hornets are excited to use the scientific method to conduct an experiment with the two white rats that arrived last week. These furry friends will help them understand the important roles nutrition, sleep and exercise play in keeping the holy temples of their bodies healthy. God is so good!

### **Marriage Minute**

*Have you ever heard someone say, in regard to their spouse, "He/she was made for me!?"*

According to this weekend's readings, men and women really are made for each other. We have strengths that complement each other so that we are stronger together than apart, and that was God's plan from the beginning! Here are some ideas on how to make those differences work for you:

- Look for the good in your spouse's approach to things.
- Reflect on how his strength, focus, or logic is beneficial to your relationship.
- Reflect on how her ability to multi-task, attend to needs, or appreciate beauty benefits you both.

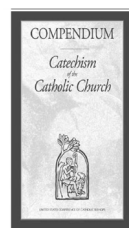

When we delight in each other's masculinity or femininity, we become a couple that "no one can separate!"

### **Stewardship Reflection**

**October 7, 2018**

*"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name."*  
GENESIS 2:19

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

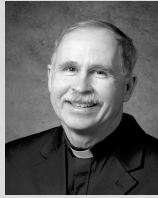

### **Catechism Corner**

*What is the importance of the Paschal Mystery of Jesus?*

The Paschal Mystery of Jesus, which comprises his passion, death, resurrection, and glorification, stands at the center of the Christian faith because God's saving plan was accomplished once for all by the redemptive death of his Son Jesus Christ. Further reading: CCC 571-573

Estimados Feligreses,

En el Taller de Educación Continua de los sacerdotes la semana pasada, aprendimos que cuando los padres toman un rol activo compartiendo su fe con sus hijos, asistiendo a Misa con ellos, orando con ellos en casa, discutiendo su fe con ellos, el 82% de los niños estarán activos en la iglesia cuando sean adultos. Por otro lado, cuando los padres no toman un rol activo en compartir su fe con sus hijos, solo el 1% de los niños estarán activos en la iglesia cuando crezcan. Estas estadísticas nos recuerdan la responsabilidad tan importante que tienen los padres por la vida espiritual de sus hijos.

Padre Mike
