Thanks!**

**Adopt a Tank...** We need your help to get to Nashville! We are planning our 10<sup>th</sup> summer mission trip, and while our fundraisers help students cover the registration fee for our trip, our parish has been the driving force behind our transportation.

Inquiring minds want to know. . .**SCRIP** for Adopt a Tank? **Yes!** We contacted our work site in Nashville and there is a BP Station close to the school, so we can use SCRIP for gas donations!

Read the following letter from one of our previous missionaries explaining how a mission trip influenced her faith development. Be a part of supporting the future of our church!

My name is Tracy Gettinger, and I am a senior at KState. I participated in two Holy Cross Mission Trips: Oklahoma City, OK, and Taylorsville, NC. Collaborating with Catholic high school students from all over the nation taught me to not take anything for granted, and that those friendships I made during the mission trips will last a lifetime. My participation in the Holy Cross Mission Trips allowed for my relationship with God to grow, and it taught me that God will always be by my side holding my hand to help guide me through life. I hope that current Holy Cross high school students will have the same opportunity as I had to impact their faith, but it'll only be possible with the help of your donations. Thank you from the bottom of my heart! :)
