Dear Parishioners,

Next weekend, at the end of all the Masses, we will have a short presentation (about 3 minutes) concerning the proposed plan for renovating the interior of our church. We realize that not everyone was able to attend the town hall meeting held recently. This will be yet another way to communicate to the parish where we are with this project. During this presentation, there will not be an opportunity to obtain input from parishioners, because of time limitations. However, we will be conducting a comprehensive survey soon after the presentation, so that all parishioners will have the opportunity to respond to the proposed plan.
