**Important CYO News**

Starting in the fall of 2016, if any child wants to participate in CYO sports they **are required to submit a Pre- Participation Physical form before he or she attends any practice session for any given sport.** It is a good opportunity to take the form to your Primary Care Physician when having a wellness check for your child over the summer so you have it on file for Fall sports. Here is the link to download the file and a place to upload it or mail to CYO offices. If you have any questions, please contact Joe Jareczek - yipyiplater@yahoo.com

**The form can be found at:**  
<http://www.cyojwa.org/#!pre-participation-physical/n21df>

**Marriage Minute**

How do our children experience the tangible love of God? Pope Francis reminds us in "Amoris Laititia" of the importance and dignity of being a parent when he said, "The love of parents is the means by which God our Father shows his own love."

Aside from the obvious mission of participating with God in the creation of life, each parent has a daily mission to make God's love concrete by the way they love their children. Spending quality time, providing food and shelter, teaching virtue and morals, showing affection, offering forgiveness, and even using proper discipline are all ways children grow into the experience of God's love.

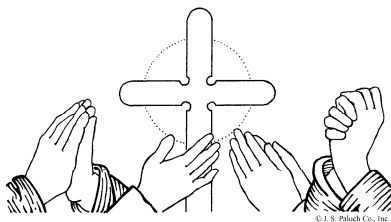

As we celebrate Father's Day, take stock of the qualities your dad or husband have that reflect God the Father, and be aware of the noble mission of Fatherhood. Especially in this year of Mercy, remember that no earthly dad is perfect.

Queridos feligreses,

A pesar de todas las apariencias de lo contrario, la Iglesia Católica de Kansas ha heredado una larga historia. Los primeros sacerdotes católicos que viajan al territorio que eventualmente se convertiría en el estado de Kansas acompañó a la expedición de Coronado, la exploración del Nuevo Mundo en nombre del Rey de España. Dado que los conquistadores mantienen excelentes registros, conocemos la fecha en que la primera misa católica tuvo lugar en Kansas: junio 29, 1541, sólo 49 años después del descubrimiento de Cristóbal Colón. Eso significa que vamos a celebrar el 475 aniversario de ese acontecimiento en unos pocos días.

Fr. Mike
